The Oncofertility Consortium has a NEW Fertility Preservation Resource for Nurses!

Visit us online at http://oncofertility.northwestern.edu/nurses to learn more about the critical role nurses have in oncofertility care.

We created an Oncofertility Decision Tool Web Portal for nurses! Our web portal is a library of oncofertility resources, such as:

• Communication strategies for discussing fertility preservation options with patients of all ages and their family members
• Decision Aids and Tools for facilitating fertility preservation decision-making
• Up-to-date information on fertility preservation techniques and technology
• Patient educational resources (print & online; English & Spanish)

The Nurse Resource Page also provides access to:

• Virtual Grand Rounds
• CME Credit
• Provider Pocket Guides
• Non-Malignant Condition Summaries
• Billing and Insurance Information
• The National Physicians Cooperative- a nationwide network of fertility preservation providers
• The Oncofertility Consortium Blog
• Community and Online Support Resources for Your Patients
