The Oncofertility Consortium has a NEW Fertility Preservation Resource for Rheumatologists!

Visit us online at http://oncofertility.northwestern.edu/rheumatologists to learn more about rheumatologists’ critical role in fertility preservation care.

We created a **Decision Tool Web Portal** for Rheumatologists! Our web portal is a library of fertility preservation resources, such as:

- *Communication strategies* for discussing fertility preservation options with patients of all ages and their family members
- *Decision Aids and Tools* for facilitating fertility preservation decision-making
- *Up-to-date information* on fertility preservation techniques and technology
- *Patient educational resources* (print & online; English & Spanish)

The **Rheumatologist Resource Page** also provides access to:

- Virtual Grand Rounds
- CME Credit
- Billing and Insurance Information
- The National Physicians Cooperative- a nationwide network of fertility preservation providers
- A Guide to Implementing a Fertility Preservation Program
- The Oncofertility Consortium Blog
- Non-Malignant Disease Summaries
