The Oncofertility Consortium has a NEW Fertility Preservation Resource for Social Workers!

Visit us online at http://oncofertility.northwestern.edu/social-workers to prepare yourself for fertility preservation discussions and learn more about the critical role social workers have in oncofertility care.

We created an Oncofertility Decision Tool Web Portal for social workers! Our web portal is a library of oncofertility resources, such as:

- Communication strategies for discussing fertility preservation options with patients of all ages and their family members
- Decision Aids and Tools for facilitating fertility preservation decision-making
- Up-to-date information on fertility preservation techniques and technology
- Patient educational resources (print & online; English & Spanish)

The Social Worker Resource Page also provides access to:

- Virtual Grand Rounds
- Provider Pocket Guides
- Billing and Insurance Information
- The National Physicians Cooperative- a nationwide network of fertility preservation providers
- The Oncofertility Consortium Blog
- Community and Online Support Resources for Your Patients
